

NORTHERN GREAT PLAINS HEALTHY START

ABOUT HEALTHY START

Northern Plains Healthy Start is proud to support American Indian families since 1992, working to ensure every child gets the chance they deserve to have a “healthy start” in life. We serve primarily in the role of home visits.

Healthy Start works to reduce the infant mortality rate by addressing perinatal health, disparities/home visiting & case management.

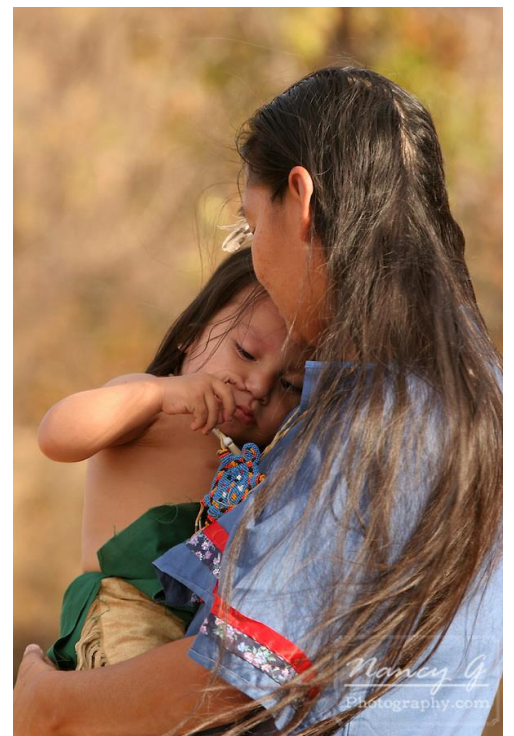

ELIGIBILITY: Women; Infants (0-12 mos.); Children (12-24 mos.); Fathers

PHONE: 605-742-382
