

SWO EDUCATION

ABOUT SWO EDUCATION

The goal of this tribally-run department is to provide a comprehensive network of services for quality lifelong learning. It is the purpose of the Education Department to work collaboratively with a network of partners to educate and promote cultural awareness; preserve the Dakota language; strive for excellence in education standards that meet or exceed state and federal

standards; and develop strategies to increase persistence, retention, and graduation rates at all levels of education.

ELIGIBILITY: Lake Traverse and surrounding area

PHONE: 605-698-8298
