

COTEAU DES PRAIRIES HEALTHCARE SYSTEM

ABOUT COTEAU

We're here where you need us, providing high quality health care services to Sisseton and the surrounding region. Every member of our staff is dedicated to serving you and your family with a wide range of health care services combining the latest technologies in a caring, hometown setting. You can expect the highest quality of care possible when you come to us.

ELIGIBILITY: No eligibility requirements. Referral from IHS will cover expenses. Be sure to apply for Medicaid before medical services, such as delivery, are needed.

PHONE: 605-698-7681

AVAILABILITY: Coteau Health Care System is a 25-bed, critical access, acute care, community non-profit hospital. We serve approximately 21,000 residents in the Glacial Lakes Region in Northeast South Dakota as well as West Central Minnesota. CDP Health Care System owns and operates the attached certified rural health clinic in Sisseton; the Browns Valley Clinic in Browns Valley, Minnesota; and the Rosholt Clinic in Rosholt, South Dakota.

FOR MOTHERS

PHYSICIAN: Dr. Linda Peterson is the OBG for Coteau Des Prairies, and will work with mothers who choose to deliver at their facility.

Dr. Peterson has been with Coteau des Prairies Clinic since

2003. She graduated from Augustana College Summa Cum Laude and from the University of South Dakota School of Medicine. Dr. Peterson has two children and enjoys sewing, reading, bird watching, and spending time with family and friends.

BIRTHING ROOM:

Our birthing rooms provide a comfortable, family-friendly environment through labor and delivery. We offer state of the art facilities for the comfort and convenience of the mothers we serve. Our goal is to create an environment that is welcoming and safe

“We’re with you every step of the way as you welcome your new baby into your family!”

for the women we are honored to provide care for throughout this exciting time of their lives.

SPECIALISTS AND SUPPORT: Every aspect of what we do is designed to provide thorough and thought-out care. Learn more about the resources we provide, such as our online nursery “Coteau’s Cradle,” which allows you announce the new arrival to family and friends.

Specialists on our staff include:

- ◇ A breastfeeding educator
- ◇ Delivery room coaches
- ◇ Staff members who are certified in neonatal resuscitation

Our goal is to provide the care you and your baby need at this time so you can enjoy total peace of mind while allowing our staff to provide care and support.

We encourage you to contact us to ask any questions you may have about our facilities and staff members.
